The Dead Birds man the lotto board as we get underway in Streetsboro for the 2014 lottery! And the #12 pick goes to.... The Douche(bags)!

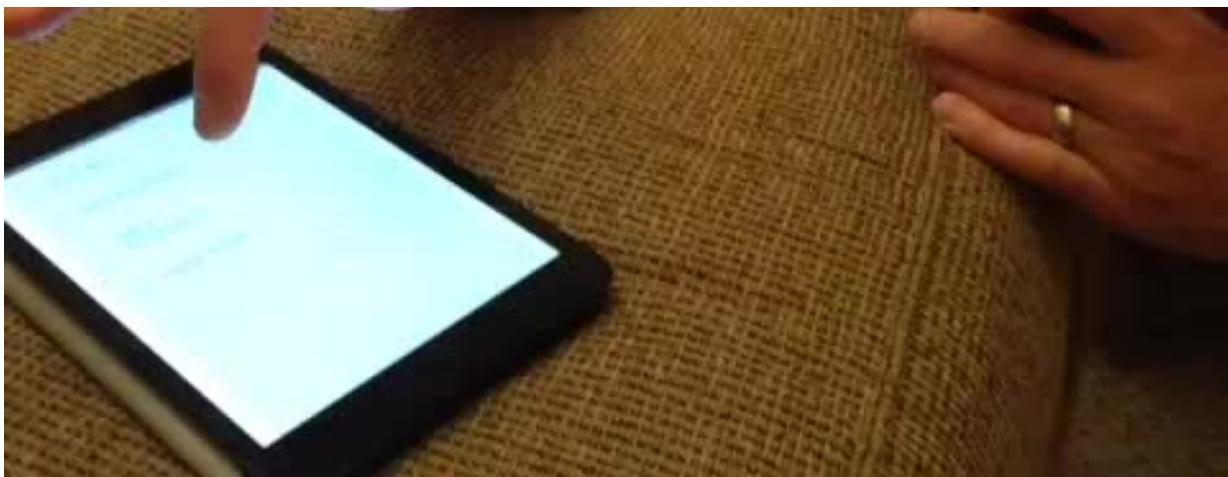

Predictions are in for #11. Darf Box thinks it's going to be the Dead Birds... but I think the lottery gods have another idea.

12: Dade Co. 11: Darf Box. 10: KFC Karaokee. 10: Thicketburn!? He had the second-best chance at the #1 pick! Lots of downward movement thus far as the Commish declares this the #CrashLottery ... or was that Trash lottery?

Favre Dollars gets #8.

Then, with the Birthday luck on their side the Dead Birds reveal the #7 pick...
